

**Isambard Brunel Junior School
Sports' Funding Premium Expenditure 2016/17**

| Number of pupils and sports' funding grant (SFG) received for the academic year 2015/16 | |
|--|-------|
| Total number of pupils on roll | 288 |
| Amount received for the academic year 2016/17 | 9,220 |
| What are our key strategies to increase quality of PE teaching and participation in sports by children at our academy? | |
| <ul style="list-style-type: none"> • CPD for staff observing expert delivery of sports • Provision of additional after school clubs • Active promotion of local sports opportunities run by other organisations | |

| INTERVENTIONS 2016/17 | | |
|---|---|--------------------------------------|
| Focus <i>must include games, gym and dance</i> | Proposed Impact | Funding Contribution From SFG |
| 1. Training <ul style="list-style-type: none"> • Completion of "Real PE" 3 day training course for PE manager • Partnership between PE manager and Portsmouth School Sports Partnership in rolling out Real PE to rest of school • Opportunities to observe sports' coaches which include specialist dance and gymnastics for all teachers. • Hampshire Cricket Club project which will provide training for Year 3 teachers | Introduction of Real PE to the school Upskilling teachers in teaching cricket and participation in a city-wide tournament Increase in confidence and knowledge for all areas of PE teaching | 7000 |
| 2. Provision <ul style="list-style-type: none"> • Portsmouth Schools Sports Partnership provide PE lessons for every year group which include games, gym and dance – four afternoons a week • Hampshire Cricket Club project which will teach children cricket leading to participation in city-wide tournament • After school clubs | Children receive high quality teaching in all aspects of the PE curriculum | 2150 |
| 3. Promotion <ul style="list-style-type: none"> • Special events and after school clubs promoted through website and Facebook pages • Operators of clubs invited to provide assemblies | Children aware of local opportunities for sports particularly those delivered by sports funding partner Children's successes have high profile in celebration assemblies e.g. Snooker, street dance, football, swimming and gym awards | No cost |

Review of Sports funding 2015/16

Training

- All teaching staff observed the sports' coach deliver a lesson and saw their use of additional resources that were purchased. Subsequent observations have shown a greater variety of PE activities being offered to children by class teachers.
- The dance programme provided specialist input and the curriculum has been adjusted to ensure this is repeated this year by those teachers who saw this. Several teachers now offer dance as their twice half-termly Brunel Time activity.
- Teachers' subject knowledge of gymnastics has increased and this year we aim to see that resulting in more gymnastic lessons as their confidence increases.
- The newly appointed PE manager has attended a training course on real PE.

Provision

- The sports' coaching company provided extra-curricular activities including football and multi-sports.
- The school took part in a number of additional events run by the local sports' partnership.

Promotion

- Sama Karate regularly takes assemblies to promote participation.
- The Daily Mile was trialled in Year 6
- Children and staff who win sports' trophies out of school are presented with them in whole school assembly.
- Our usual Sports' Day was a mixture of team events and track finals to allow full participation whilst challenging children with athletic talent.
