Dear Parents

School Christmas Dinner

School Christmas Dinner this year will be on **Wednesday, 7th December.**

If you already have an account with ISS just go to their website to pre-order your child's meal. If, however, you have not already registered with ISS, who provide our school meals, you will need to go to their website and do this. You can access the website through our school page or alternately log on to www.feedinghungryminds.co.uk. Once registered, please allow a couple of days for the process to be completed, you will then receive an e-mail confirming your account is open and you will be able to make a payment and pre-order your child's dinner. The minimum payment is £10.00 after registration, this will allow your child to have another meal if you so wish. Alternatively, you can contact ISS and they will refund any monies that are in credit on your account. If you are entitled to free school meals you will need to register if you have not already done so.

We would ask that all registrations are completed by **Wednesday, 23rd November** please to allow for set up.

If you have any problems, please do not hesitate to contact us or ISS and we will do our best to help you.

So we can have an idea of numbers for the day please complete and return the slip below to the school office by **Friday, 25th November 2016**. *Please see menu on reverse of this letter.*

Yours sincerely
