

**Spoken Language:**

Give well-structured reasons for persuading potential passengers to sail on Titanic's maiden voyage.

**Writing:**

Cover a variety of writing styles including persuasion, balanced arguments and diary entries.

**Engage:**

Watch a variety of clips about Titanic. Read a variety of extracts from real life accounts of passengers on board Titanic.

**Maths:**

Children will learn properties of shape, including angles, coordinates and how to use and apply these skills in test-style questions.

**Computing:**

Explore and revise skills in Maths and SPaG.

**Science:**

Children will explore the invention of electricity and how it has changed the world that we live in.

**PE:**

Focus on agility, balance and co-ordination through 'Real PE' curriculum.

# Titanic

This is  
what  
we'll be  
learning  
this half  
term...

**History:**

Learn about the key events leading up to and after the sinking of the Titanic.

**Geography:**

Look at world locations of points along the maiden voyage of Titanic.

**Art:**

Use a variety of medium to create a collage and improve their mastery of art and design including drawing, painting and sculpture.

**D.T**

In small groups, design and create their own model of the Titanic.

**Innovate:**

To design and create their own collage of the Titanic.

**Express:**

Parents will be invited to look at their child's Design Technology Projects and a variety of their written pieces.

**PSHE:**

Talk and write about their opinions and explain their views, on issues that affect themselves and society.

**Music:**

Explore and learn to use xylophones to compose a piece of music.

# Things to explore with your child...

**PE:** Our PE days are **Wednesday** and **Friday**. As the winter months approach please include longer layers in PE kits so that your child can comfortably take part in all of the outdoor activities.

## Maths:

Daily times tables practice is a fundamental part of your child's mathematical development. These skills are used in all aspects of this subject.

Other areas to work on include: telling the time and adding and subtracting 4 digit numbers mentally.

## Reading:

Reading is an important part of education and development. Reading a variety of text types with your child, including fiction and non-fiction, will support them with their spelling, writing and comprehensions skills.

Remember to ask questions about what has been read to develop understanding of key characters and concepts.

## Writing:

When discussing topics with children, encourage them to answer using full sentences as this will encourage them to use the same in their written work.

Revising spellings with your child will further support their word knowledge and introduce them to a new and higher level of vocabulary.

## Weekly Practice:

Maths, English and Spelling home learning tasks will be handed out each week.

Our English will focus on punctuation and grammar. Homework is handed out each Monday and due in every Friday.

## Dates:

### **Homework Club**

**Wednesday 3:30 – 4:30pm (limited places)**

### **Morning Maths Revision**

**Tues/Wed/Thur 8:15-8:45am**

### **By invitation only**

### **Parents Celebration**

**Thursday 14<sup>th</sup> February**

**2:30pm**

## Creative Zone:

Design a poster to publicise the maiden voyage of Titanic.

Design your own super ship.

Create a fact file about Titanic.
